Sir,

I beg to acknowledge the receipt of your letter of the 5th ultimo, in which you enquire whether the Canadian National Railways paid the Department for the land required for railway purposes in legal subdivision 4, section 20, township 37, range 16, west of the 4th meridian, and state that you cannot understand why you did not receive the compensation money from the railway in this instance.

In reply I beg to say that the Canadian National Railway Company is entitled to a free grant of the land taken for right of way in this legal subdivision, comprising 3.10 acres, inasmuch as a reservation for the right of way was noted in the records of the Department 1[illegible] February, 1913, following an application for reservation made by the Canadian Northern Railway Company on the 15th January, 1913. It was due to an oversight that you were not advised in the departmental letter of the 9th December, 1921, that the sale of the fractional legal subdivision to you was subject to deduction for the right of way.

Your account will be adjusted and you will be further advised in the matter in due course.

Your obedient servant,

(N. O. Coté)

S.S.B. File [illegible].

In reply to your letter of the [illegible]th ultimo I beg to enclose copy of departmental letter of today's date addressed to Mr. H. L. Whiteside, [illegible], Saskatchewan, which explains itself.

Encl.

Mr. Whiteside has completed payment for the fractional legal subdivision in question at the rate of $10.00 an acre, and I beg to enquire whether there will be any objection on the part of the Soldier Settlement Board to a refund being made to him of the sum of $31.00, representing 3.10 acres at $10.00 an acre.

It is presumed that the Board will take what steps may be necessary to release its charge in respect of the 3.10 acres included in the right of way.

With further reference to your letter of the 12th December last, I beg to inform you that it has been found upon investigation that the Canadian National Railway Company is entitled to a free grant of the 3.10 acres of land required for right of way in the above-mentioned land, as shown upon a plan of the right of way recorded in the Department under number 34149 and in the Land Titles Office, Edmonton, under number 44[illegible] S.L. Sir,

I have your letter of the 5th instant, Reference 3-2932, enclosing Duplicate Certificate of Title No. 97 M.58, showing title to the fractional South East quarter of Section 19, Township 37, Range 18, West of the 4th Meridian, to stand in the name of The Soldier Settlement Board of Canada. We have had a copy of this title made for our records and the original is herewith returned.

Since the only condition attached to the sale to Mr. Herbert L. Whiteside of fractional Legal Subdivision 4 of Section 20 was the filing of evidence of ownership of the adjoining fractional South East quarter of Section 19, referred to, there seems to be no reason, in view of the Board's ownership of the latter parcel why fractional Legal Subdivision 4 should not be patented to the Board on receipt of the usual Vesting Order covering the parcel. It is noted from your memorandum of the 4th ultimo that the settler has submitted an application for the issuance of patent in favour of the Board.

I may add that the area included in the sale of fractional Legal Subdivision 4, for which payment

W. E. Weld, Esq.,

ment has been completed, is 25 acres, less 3.10 acres patented as right of way to the Canadian National Railway Company, that is a net area of 21.90 acres.

Kindly acknowledge receipt of the enclosed Duplicate Certificate of Title.

Enclosure.

Sir,

I beg to inform you that as you failed to comply with the Departmental letter of the 30th April, 1924, I am to request you to kindly fill in and forward to the Agent of Dominion Lands at Peace River within the next thirty days the enclosed form No.36, showing exactly what you have done in the way of residence, cultivation and improvements in each year since the date of entry, on your homestead, the above described land. As you are allowed the privilege of substituting stock, you should also show the number of stock solely owned by you and kept on the land for summer grazing or winter feeding.

(3) of His Majesty or of any British Dominion or Colony, and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry claiming under the preceding sections, if required to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the opening of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is claimed from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent may hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any settler, he shall not grant entry for the land affected but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or that has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

The Homestead Inspector's report does not contain sufficient details to enable a proper decision to be arrived at in regard to the disposal of the buildings in question.

Kindly call upon the Agent to instruct the Inspector to again look into this matter and furnish a report clearly setting out the buildings erected by the Frontier Lumber Company as well as by the previous homesteader, R.E. Dewis. The Inspector should also interview the Manager of the company and ascertain when the buildings were erected upon this land and by what authority. He should also interview Field and Paterson and get details as to the buildings purchased and at what price; he should secure receipts if possible,

Also kindly write Mr. Lilgedahl asking him to explain why he took an affidavit when making homestead entry that there were no improvements upon the quarter-section; he should also be asked to state the amount paid by him to Paterson and forward receipts here for inspection.

Also write Mr. Clark for similar information, regarding the house he is occupying.

With reference to the application for homestead entry granted you by the Agent of Dominion Lands at Peace River on the 30th July last for the above described land, it is noted that you claimed there were no improvements on this quarter section.

According to a report recently received from a Homestead Inspector it would appear that there are improvements on this land to the value of $[illegible].00. The Inspector further states that you are living in the house on the land, valued at $[illegible]00.00, which you claim to have bought from Mr. Patterson.

Before your entry for this land can be confirmed it will be necessary for you to furnish an explanation as to why you took an affidavit when making homestead entry that there were no improvements on this quarter section. You are also requested to state the amount paid to Patterson for the house which you are now occupying and forward receipts here for inspection.

Kindly give this matter your immediate attention as the confirmation of your entry will be held in abeyance until the question of improvements on this land have been satisfactorily arranged.

Dear Sirs;

Re the above section of land the building on this
quarter [illegible]
to W. Almas [illegible] : One of these is [illegible]
by Ray Sloan , [illegible] employed by the company [illegible] was built

[illegible]

to state that The Canyon Creek Lumber Company had
timber south of this quarter of land and one of the partners Mr. Dewis
filed on this land simply to hold it as a Mill site and for Offices and
bunk houses.

I have been in this country for the past 12 years and have a
wife and family and my occupation is fishing and trapping , and further more
I thought that this quarter situated on the Lake would be a good home
and regarding this quarter it has been logged over by the Northwest Lumber
Company and after by the Canyon Creek Lumber Company and it is a bush
homestead and the Public High way was started last Spring and no doubt
there are some people think that this quarter would be a good summer
resort.

I notice that in your letter that the house which I live was valued
at $200.00 and you will see that I paid $60.00 for same the value of the
lumber. and W.Almas paid the Canyon Creek Lumber Company $25.00 a total
of $85.00 and I do not know the value that Ray Sloan places on his
shack but with three old log barns with lumber roof plus Sloan Shack
plus $85.00 you have a good idea of the value of the improvements.

I wish to hear from you regarding this quarter of land and
furthermore wish that you would write to W.R.Menzies Faust Alta.
who has a quarter adjoining this land in question and as Mr. Menzies
has been in this country for the past 12 years operating a fishing
plant he will give you the same idea of this land. as I have or write

Referring to your letter of recent date, enclosing a report by Inspector Hayden together with a declaration by John I. Field, I beg to say that from Mr. Field's declaration it would appear that all the buildings erected by the Canyon Creek Lumber Company, Limited, have been disposed of and removed with the exception of a house 24x24 sold by the Company to the present entrant and valued at $60.00. It would appear that so far as the Lumber Company is concerned they are not interested in the improvements on Mr. Liljedahl's homestead.

Inspector Hayden reports the improvements as follows:-

House, log and frame, size 30x30.. [illegible]00.
Stable, log 18x27, value .... 45.
Total.................................. 245.

22/

The Inspector says "the only building erected on this land by the previous homestead, Reginald E. Dewis, is the house now occupied by H. Liljedahl". You will observe that this does not agree with Mr. Field's declaration which indicates that a house 24x24 owned by the Canyon Creek Lumber Company was sold to Mr. Liljedahl.

On the other hand, Reginald E. Dewis when abandoning his entry for this land on the 13th August, 1926, gave the improvements as follows:-

1 frame house with log sills
size 18x20.

If the building described in Mr. Dewis' abandonment is still on the homestead, apparently Mr. Liljedahl should be required to pay for the same but the papers are not at all clear, and it would seem necessary that the Inspector should furnish some further information, particularly in view of the statement made by Mr. Field that a house 24x24 was sold Mr. Liljedahl. Is this the house reported by the Inspector as being log-frame 30x30 worth [illegible]00.00, if so, why has the Inspector not reported the building left on the land by Mr. Dewis?

Re: N.E.36-73-8-5th M.

With further reference to your report of the 9th ultimo, I beg to say that from Mr. Field's declaration, it would appear that all the buildings erected by the Canyon Creek Lumber Company, Limited, have been disposed of and removed with the exception of a house 24 x 26 sold by the Company to the present entrant and valued at $65.00. It would appear that so far the Lumber Company is concerned they are not interested in the improvements on Mr. Lilgedahl's homestead.

In your report you state the following improvements:-

House, log & frame, size 30x30..	$200.
Stable log 18 x 27............	[illegible].
Total........................	$24[illegible].

You say "the only building erected on this land by the previous homesteader, Reginald E. Lewis, is the house now occupied by H. Lilgedahl". You will observe that this does not agree with Mr. Field's declaration which indicates that a house 24 x 26 owned by the Canyon Creek Lumber Company was sold to Mr. Lilgedahl.

On the other hand, Reg. E. Lewis, when abandoning his entry for this land on the 15th August, 192[illegible], gave the improvements as follows:-

1 frame house with log sills,
size 1[illegible] x 20.

If the building described in Mr. Lewis' abandonment is still on the homestead, apparently Mr. Lilgedahl should be required to pay for the same but the papers are not at all clear, and it would seem necessary that you should furnish some further information, particularly in view of the statement made by Mr. Field that a house 24 x 26 was sold to Mr. Lilgedahl. Your reference #704-32-2.

I beg to acknowledge the receipt of your letter of the 20th instant indicating that your Department requires for fish hatchery purposes a portion of the above described quarter section, consisting of a strip along the lake shore 600 feet long, westerly from the easterly line of the homestead and including all the property between the lake and the railway right-of-way, less the highway right-of-way, which runs through this strip.

This quarter section is still unpatented but the holder of the homestead entry could abandon the portion which you require on the understanding of course that he will be entitled to select any other land in the vicinity for that relinquished.

I enclose a form of Declaration of Abandonment and if Mr. Lilgedahl executes the same before a Commissioner for taking affidavits this will enable the Department to amend his entry by excluding the portion abandoned. It would be advisable for Mr. Lilgedahl upon executing the abandonment to forward also, his interim receipt for the necessary corrections.

When the land has been withdrawn from the homestead entry this Department would then be in a position to deal with your application to have it reserved for the purpose of a fish hatchery.

Sir,-

Adverting to your letter of July 26th, you will find enclosed Declaration of Abandonment, in duplicate, from Mr. Herbert Liljedahl of Widewater, Alberta, of that portion of his homestead lying between the E.D. and B.C. Railway right of way and Lesser Slave Lake, less the right of way of the Edmonton Peace River Highway, which he is abandoning in favour of this Department for fish cultural purposes. This piece of land is shown outlined in red in the accompanying blueprints.

I may say that Mr. Liljedahl signed this abandonment with a good deal of reluctance, as he appeared to be apprehensive that in doing so he might open the way to an attempt at the cancellation of his homestead entry. He had to be assured that this Department would point out to you that he was only abandoning that portion of his homestead that is required for the site of the proposed fish hatchery and as described in the Abandonment form and the blueprint attached thereto. It was also agreed that the papers in question would be forwarded direct to this Department and transferred to the Dominion Lands office at Ottawa and not through the district office at Peace River, as in this way he appeared to think that there would be less publicity and the transaction completed before the matter was taken locally, and thus attempts at cancellation of his homestead entry, of which he was apprehensive, would be avoided.

I may add that this Department has no knowledge of any grounds that Mr. Liljedahl may have for his apprehension above referred to, but is writing as above to carry out the understanding with Mr. Liljedahl when he signed the abandonment in question.

Homestead - Herbert Lilgedahl.

Mr. Herbert Lilgedahl of Widewater, Alberta, who, on the 6th August, 1926, was granted a homestead entry for the quarter-section above mentioned, has relinquished a portion thereof at the instigation of the Department of Marine and Fisheries who require the land for the establishment of a fish hatchery site.

The area required for fish hatchery has been surveyed by J.H. Johnston, D.L.S., and you will find blue print in duplicate of his plan of survey in the envelope on file herewith. It is the intention to accept the abandonment covering the land specified and provision will be made in due course for setting up a reservation in favour of the Department of Marine and Fisheries in respect thereto.

In the meantime, I shall be glad if you will let me have a sketch of the quarter-section, in duplicate (one for the local Agent) showing right-of-way of the Edmonton, Dunvegan and British Columbia Railway; the Edmonton Peace River Highway; and the proposed fish hatchery site; together with areas of the balance thereof, which will remain as a homestead in the name of Herbert Lilgedahl.

Referring to Mr. Powell's memorandum of October 4, on file 4050087 herewith, no plan of the railway shown as the Edmonton Peace River road on the blue print of the proposed Fish Hatchery site in the north-east quarter of section 30, township 75-8-5 is on record here. We are therefore unable to prepare a sketch as requested showing the area in the quarter section which will remain as a homestead when all the required reservations have been made. However, a sketch is enclosed showing the land in the quarter section exclusive of the Fish Hatchery site and Edmonton, Dunvegan and British Columbia Railway.

SIR:-

Adverting to your letter to the Secretary of this Department dated September 27, your file 704-32-2, it is noted that the land required in the northeast quarter section 36-73-8-5 for a fish hatchery was surveyed by J.H. Johnston D.L.S.

Will you please advise me whether Mr. Johnston planted any survey monuments to define the western boundary of the parcel surveyed and if so furnish this office with a plan in duplicate on tracing linen for record and registration in connection with the reservation of this parcel from Mr. Lilgedahl's homestead.

Your obedient servant

The Deputy Minister,

December 6, 1927.

Dear Sir,-

I am in receipt of Mr. Cowie's letter dated November 30th, reference 704-32-2, enclosing two copies on tracing linen of a plan of survey of part of the northeast quarter of section 36, township 73-8-5 by J.H. Johnston, D.L.S.

It is noted that your Department has no information as to whether or not Mr. Johnston erected any monuments to mark the west boundary of the parcel. If he did not erect monuments, the plan will not be suitable for the purpose required. I should be glad if you would ascertain from Mr. Johnston whether he placed any monuments on the west boundary.

My request for the plan was made because, in issuing patent for the remainder of the quarter section, it is necessary to except the parcel in question. Owing to the fact that it is crossed by the Peace River road, it is not easily described by metes and bounds, and it was considered desirable to have a plan on record, which could be used for reference in the patent.

It might be pointed out that when a survey of a parcel of Dominion lands is required it should be made under instructions from this office, in which case the surveyor would be instructed as to the monuments he should erect.

Yours truly,

F.H. PETERS

Sir:-

In reply to your inquiry of the 2nd instant, this Department does not now require the fractional northwest quarter of section 24, township 73, range 7, West of the 5th Meridian, which was reserved during pleasure for fish cultural purposes by Order in Council of July 6th, 1920, P.C. 1505, and the fractional southwest half of the same section which was reserved departmentally to afford this Department an opportunity to obtain yearly permits to cut a supply of fuel for the proposed hatchery.

Since the Order in Council in question a more suitable site has been secured on the northeast quarter of section 36, township 73, range 8, West of the 5th meridian. No reservation, however, has been made for fuel purposes and this Department would be very glad to learn if there is anything in the neighbourhood of the present site that could be reserved for that purpose.

I have your letter of the 14th April last, file no. MEMORANDUM

Part N.E.¼ 36-73-8 W.5th Mer.
shown on sketch marked.

In his memorandum dated the 20th ultimo the Acting Deputy Minister sets out that it had been represented to his office that a party of business men of Edmonton were anxious to secure the area shown in "pink" on the attached sketch, marked, for the purpose of a hunting and fishing lodge. A full statement of the case is contained in Mr. Powell's memorandum hereunder.

Mr. Powell recommends that provided the entrant executes a Declaration of Abandonment of the area applied for the matter might be taken under consideration with a view of making a sale to the gentlemen applying for the land.

The Act and regulations provide that a settler may relinquish a portion of his homestead for a consideration in favour of a railway company for gravel purposes, etc., (see S.S.3, Sec.36, R.S.C.) but no provision is made for a relinquishment of this kind in favour of a private individual.

Under the circumstances, I assume that there is no objection to Mr. Lilgedahl voluntarily abandoning a portion of his homestead for the purpose above indicated, and the question of the disposal of the area so abandoned could be given consideration after the abandonment is received here.

Through inadvertence this parcel was not excepted from the patent which issued to Mr. Lilgedahl on the 16th April, 1930, for his homestead certain portions of the quarter section and it is desired to transfer it to the province as it is used for fish hatchery purposes although title is now in the homesteader, Lilgedahl.

The Solicitor was requested to prepare a form of surrender to the Crown of the parcel in question for execution by the patentee, but Mr. W. W. Cory in his memorandum of the 3rd February, herewith, suggested that the surrender be drawn up by the officers of the Provincial Government concerned and it was proposed to return the papers to the Solicitor and request him to take the matter up with the provincial authorities.

The above section comprises a fish hatchery site and which site was inadvertently patented to Mr. Lilgedahl on the 16th April, 1930, and it is now desired to transfer the area in the above section, which is used as a fish hatchery, to the Province.

It has been suggested that a surrender be prepared by this Department containing a description of the fish hatchery site which was included, by inadvertence, in the letters patent which issued to Mr. Lilgedahl on the 16th April last and when this surrender has been signed by Mr. Lilgedahl in favour of the Crown in the right of the Dominion this Department could then re-transfer the hatchery site to the Crown in the right of the Province.

The Solicitor of this Department suggests a simplification of this proposal and points out that if a surrender was drawn up by the Province and signed by Lilgedahl this would obviate the necessity of this Department appearing in the transaction altogether and would greatly simplify this matter. Accordingly, herewith, please find description of the fish hatchery site which was inadvertently included in the letters patent and if you would have the surrender drawn up and signed by the patentee, Lilgedahl this should clear the situation up without any difficulty.

Dear Mr. Reid,-

15th April, 1931.

Re: [illegible] Hatchery Site.

The above site of 5.37 acres comprises a portion of the North West quarter of Section 30, Township 76, Range 6, West of the 5th Meridian, and although relinquished by the homesteader, Mr. J. [illegible] Eligedahl, was inadvertently included in the patent which was issued to him on the 15th April, 1930. A description of the site and the declaration of abandonment executed by Mr. Eligedahl on the 5th September, 1927, are enclosed.

It is now desired to transfer this hatchery site to your Province and it is anticipated that there will be no difficulty in securing a proper surrender of the area from Mr. Eligedahl. It has been suggested that instead of having the surrender prepared by this Department in favour of the Crown in the right of the Dominion, your Province have the surrender drawn up and signed by Mr. Eligedahl in favour of the Crown in the right of the Province. This will obviate the necessity of the Dominion appearing in the transaction and would greatly simplify the matter.

If any additional information is required in connection with this area we will be glad to endeavour to supply it on request.
